Amy:

Angeles has reached out to Chris and we will work on a letter to Rep. Pelosi. I just met with my team and I will want to append at least our recent letter to the Citizen Advisory Committee and perhaps our official comment letter on the Navy's Parcel G sampling workplan, which is due out on Tuesday of next week. We are busy preparing the Parcel G letter and getting ready for Monday's meeting with Mayor Breed. So it is unlikely we will have a draft ready by Monday, more like Wednesday.

Thanks for your understanding.

Enrique

Enrique- Can you and your team work with Chris to prepare a short letter from Mike thanking Leader Pelosi for her leadership on Hunters Point. Also we should state that we look forward to her convening the agencies again in the fall. Please feel free to add anything else to the letter. The letter should be ready for my review when I return to the office on August 13<sup>th</sup>. I will have Alexis take it (among other correspondence) to Mike to sign in Phoenix on August 20<sup>th</sup>.

Thanks!
